

Senator RP Janina Sagatowska visited St Briavels

On Wednesday 14 September 2016 we had the great pleasure of welcoming Senator Janina Sagatowska at St Briavels. The Senator is the Chair of the Committee for Polish Communities Abroad. Mrs Bożena Witt-Mojsik and Ms Katarzyna Bachańska from the Office of the Chancellery of the Senat and Mr Marek Różycki from Stowarzyszenie Wspólnota Polska accompanied the Senator on her visit.

We had the opportunity to tell the Senator about Polish Scouting in the UK and about the international status of our organisation. Our guests were especially impressed with the hard, voluntary work of all our guide and scout leaders. As we toured our site on a beautifully sunny day, our visitors expressed their delight at the scenery, the facilities and the potential for the new development. Through the cooperation of Stowarzyszenie Wspólnota Polska we have already received financial support from the Ministry for Foreign Affairs towards the refurbishment of the coach house and from the Senate towards the foundations for the new accommodation block.

We would like to take this opportunity to thank our partners and the Polish Government for their support in realising our project at St Briavels.
