Fundraising Treats help the St Briavels Fund

This year's camp is the fourth one beyond our Polish Scout Centre in St. Briavels. Despite this, the cubs and brownies are still drawn to this magical place where during the camp they formally received their stars gained after a course testing their knowledge and attitude. It is here that the cubs and brownies make their formal transition to the scouting ranks and enjoy their first scouting camp fire under the starry Wye Valley skies.

Our wizards in the cub and brownie camp kitchen always provide delicious, healthy meals for the children and leaders. For additional variety at meals, one of the leaders brought various homemade preserves. It turned out that others wanted to buy these preserves.

While funds are being collected, and we wait for the refurbishment and development of the Polish Scout Centre; over the last two years these preserves were made available for donations to the Polish Scout Centre St Briavels fund. Every penny counts towards making this project a reality!

Thank you for raising £120.

June Fete in Nottingham

Friends of Polish Scouting (KPH) in Nottingham together with the brownies, cubs, guides and scouts organised a fete on the 14th June 2016 at the Local Polish Catholic Mission in Nottingham. Together with the help of many parents they sold home made cakes, and cakes donated from a local bakery, bigos, potatoe pancakes and other hot food and candy floss. There were games and treats for children, facepainting, and a brick-a-brack sale and potted plant sale. Despite the rainy weather the event was very successful and raised £1,250 for the St Briavels Fund. Many thanks to Mrs Janina Migda, Mrs Edyta Sokołowska and to everyone who took part in the event. Many thanks to Father Krzysztof Kawczyński for allowing the fete to take place after Sunday Mass.

Czuwaj!
